Remarks

(Remarks are not for responding to an office action.)

While the information and references disclosed in this Information Disclosure Statement may be

"material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any patent, publication, or other such information referred to therein is "prior art" for this invention unless specifically designated as such. In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
